TFOA-Professional Preparatory Charter School—616 Quincy Street, 3rd Floor, Brooklyn, NY 11221
Email: apply@tfoaprofessionalprep.org Fax: 718-919-0486

Application and Lottery Information

- All children eligible to attend NYC Public Schools are eligible to attend TFOA-Professional Preparatory Charter School.
**Children must turn 5 by December 31st of their Kindergarten year to be eligible for Kindergarten.
All children who live in Community School District 16 will be given priority in the lottery.
All children who have a sibling who attends/is accepted to attend TFOA-Professional Preparatory Charter School will be given a preference.
In the event that we receive more applications than the number of seats we have available for each grade, a lottery will be held on Monday, April 3, 2017 at 5:00pm at the school, where applications will be assigned via a random process to available seats.
At the lottery all applications received by the application deadline will be assigned a random lottery number—generally seats will be allocated to applications in order of lottery number.
Any applications that are not assigned a seat at the lottery will automatically be placed on a "Waitlist" for seats that may become available at a later time; assignments from the Waitlist will also be made in order of lottery number.

I agree that the school records, photos and video of the student for whom I am submitting this application may be used by TFOA-Professional Preparatory Charter School and for studies at this charter school. In these studies, only aggregate outcomes, not individual students' outcomes will be reported.
